# INTRODUCTION

## WHO AM I ?

Amine Akrou

*I would like to take this opportunity to introduce myself to you :*

*I am 23 years old and I am a student at the Faculty of Pharmacy of Monastir. I am a reliable, and energetic individual who enjoys interacting with others. I take pride in building strong customer relationships, and I am client focused. I have been recognized as being honest, responsible, and self motivated. I enjoy working in a fast paced environment. I am confident that my positive attitude, excellent interpersonal skills, and honesty will fulfill the requirements of any work position!*

# WHAT CAN I DO?

# MY SKILLS

## Microsoft PowerPoint 2003, 2007, 2010 & 2013

I have experience of producing presentations and Templates for executive level meetings, corporations and businesses. I can make all kind of presentations and e-learning courses with the help of PowerPoint Advance tools.

## Adobe Photoshop

I am an expert in using Adobe Photoshop specialized in photo editing, photo enhancement, photo retouching, photo manipulation, image resizing, removing background, cropping, clipping path...

## HTML and CSS

I can easily manipulate your website HTML and CSS codes to find resources (images, fonts, colors, backgrounds ...), which will be used to enhance your Powerpoint presentation and to make it looking similar to your website.

## Camtasia Studio

Expert in screen recording, converting Powerpoint slides into videos (multiple video formats). I can easily merge your audio and presentation and make a great video.

## Adobe Reader

I have particular expertise at converting presentations into the Adobe InDesign PDF format

# CUSTOMIZED PRESENTATION DESIGN

# WORK PROCESS

# HOW I CAN **HELP YOU** TARGET IDEAS

## Target ideas and visions

We will work together to help you turning your ideas and thoughts into a mind-blowing Powerpoint presentation. **I AM THE ONE WHO CAN BRING IDEAS TO LIFE!**

# HOW I CAN **HELP YOU** TARGET AUDIENCE

## **Target Audience**

While designing , I always keep in mind the audience to which the presentation will be delivered because Creating a content strategy without a clear understanding of your audience is a bit like setting a boat adrift without navigational tools. SO I design the appropriate presentation for the appropriate audience

# CAREER SUCCESS

## Success **Story**

### **Success Story**

As a creative professional, the road to career success is more like a confusing tangle of interstate highways than a clear-cut path. While some professionals choose to pursue a Master's degree, others are self-taught through online design courses (Because learning isn't something reserved for the inside of a classroom) and I am one of them.

In fact, to really stand out in an already crowded online workplace like Upwork (formerly oDesk), it's in my best interest to keep learning new skills and enhance my designs.

# SUCCESS KEYS

## EXPERIENCE

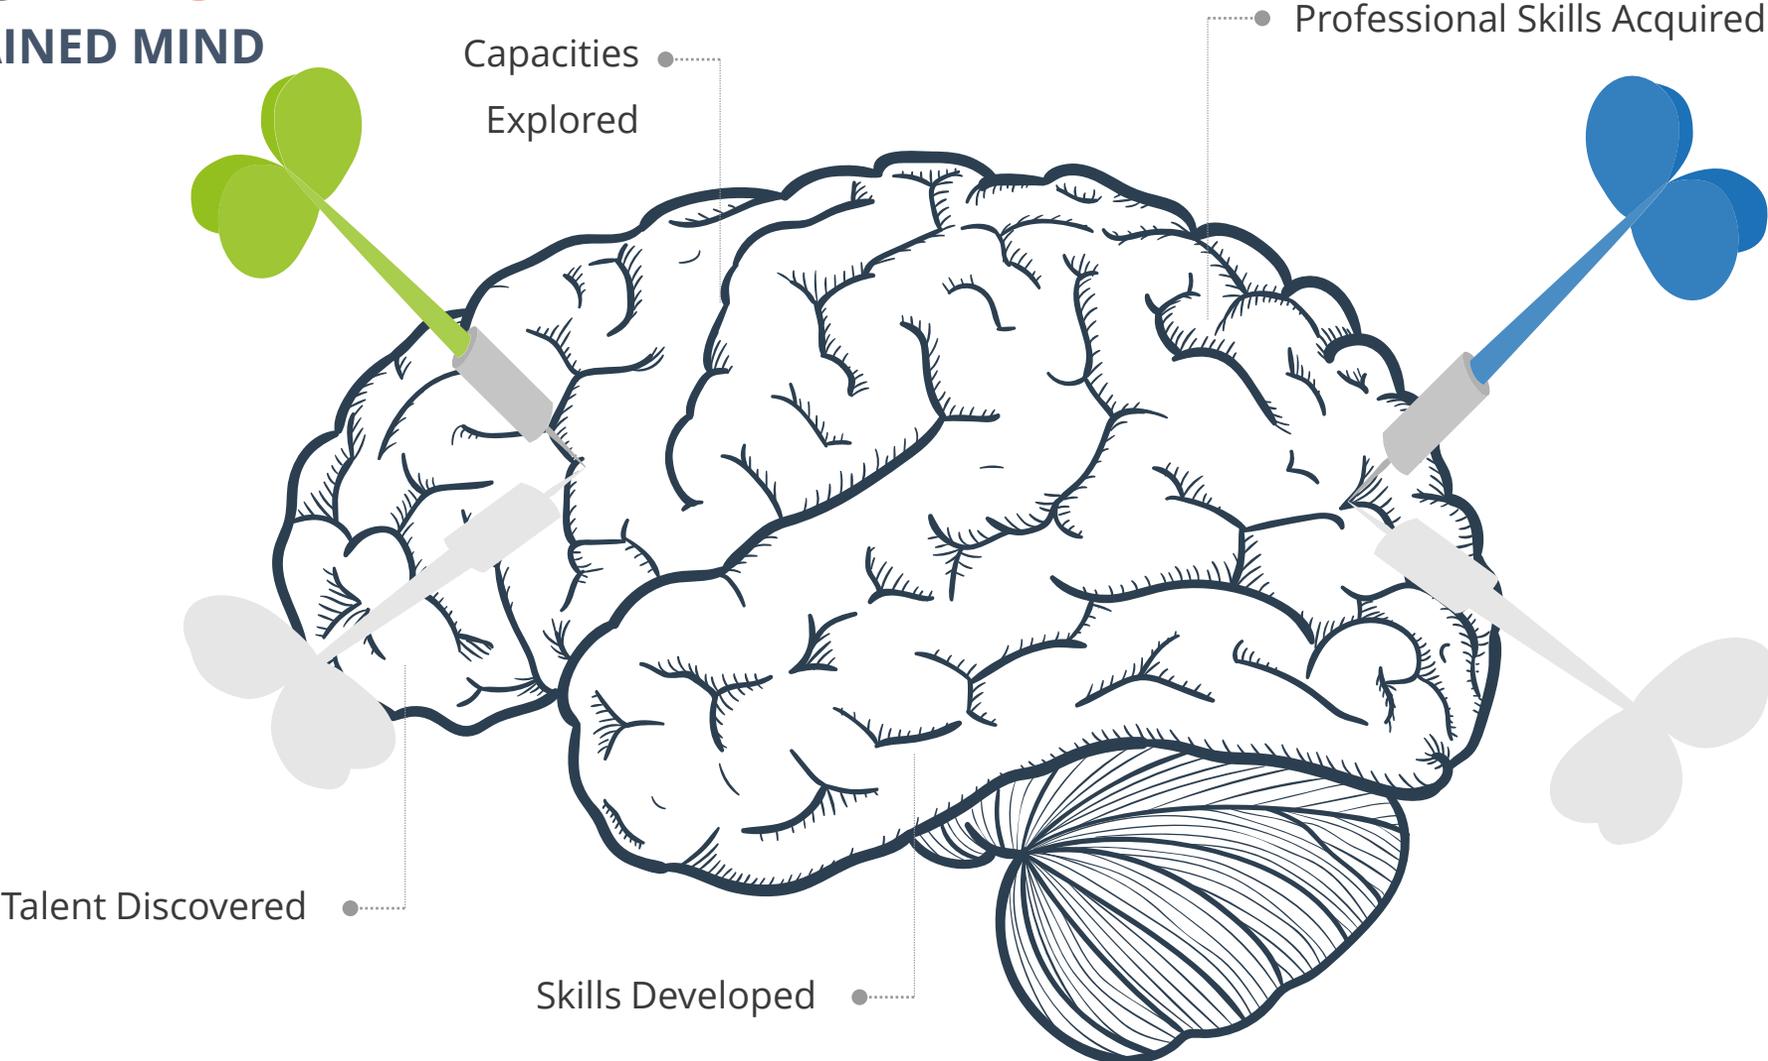

### **Experience**

Working on a great number of design projects for different business has given me the ability to create visually appealing content and the knowledge of presenting information in an eye-catching way so it attracts the viewer.

# SUCCESS KEYS

## A WELL-TRAINED MIND

# SUCCESS **KEYS**

## ALWAYS LEARNING NEW SKILLS

### **To Be Up-To-Date**

I always search for new design techniques or trends. I study the design theory to find a sense in what I am doing.

Reading e-books and watching online tutorials are making my design skills better.

# SUCCESS KEYS

## ALWAYS FOCUS

### Focusing

Any meaningful task or routine takes a large part of one's focus. Before starting anything, I ask myself why I should do it. With My answer, I feel that I am on a mission and I value the task. Then I find ways for the task to become fun, by allowing my creativity and imagination to play in the process.

As I've seen from personal experience, a stellar feedback score can rapidly boost your visibility to prospective clients and significantly accelerate your earning potential. Simply put, the Upwork (formerly oDesk) feedback score is arguably an Upworker's most valuable asset.
